

BHP invites you to participate.

BHP is working with the Mid Sask Municipal Alliance (MSMA Region) and their partners to develop a **NEW** online interactive business database for your region.

Benefits to you:

- Expose your business to potential opportunities and bolster your online presence.
- Strengthen the region's business community and economy.
- Easy to join and free for anyone to access.

Benefits to BHP and other users:

- One stop shop for sourcing local products, supplies and services in our region.
- Support the region throughout the pandemic recovery.

Giles Hellyer, President Potash for BHP states: *“Supporting local through our Local Procurement Plan in sourcing local products, supplies and services is important to BHP and this database will be an important tool as we continue our work at the Jansen Project.”*

One of the following partner agencies will be contacting you over the next few weeks to explain further and help get your business registered. You can also self-register here:

<http://members.msma-region.com/register>

MSMA partnering agencies:
